EXTENSION OF STORAGE FREE PERIOD AND REDUCTION OF STORAGE BANDS FOR TRANSIT CARGO

Kenya Ports Authority wishes to announce to customers in the Transit Markets the extension of Storage Free Period for containerized cargo handled at the Port of Mombasa and Inland Container Depots (ICDs).

The new Storage Free Period is as follows:

| Clause | Description | Current Free Period (Days) | New Free Period (Days) |
|----------|--|----------------------------|------------------------|
| 16.3 | Transit Import Containers Port of Mombasa | 9 | 15 |
| 16.7 (a) | Transit Import Containers ICD Embakasi | 9 | 15 |
| 16.7 (b) | Transit Import Containers ICD Naivasha | 9 | 30 |

Thereafter, applicable rates for storage charges per day will be:

| Container size | 20' USD | 40' USD |
|----------------|------------|------------|
| 16 to 21 days | 30 | 60 |
| Over 21 days | 45 | 90 |

This takes effect from **1st May 2023**.

A handwritten signature in black ink, appearing to read 'William K. Ruto'.
